

Cool Waters

Sorn

One kiss
Bet you're feeling the heat
Begging for a sip of these
Cool waters
Cool

Ooh
You're looking thirsty
And I could be a sweet oasis for us
Ooh
Your vision's blurry
But I could clear it up the second we touch

Body like a goddess
You can't stay away
You don't need a star to wish upon
When you can wish on me

Power like a prophet
Paint me like Monet
Baby, we both know you'll cave

One kiss
Bet you're feeling the heat
Begging for a sip of these
Cool waters
Cool

You wish
You could dive in it deep
Begging for a dip in these
Cool waters
Cool

Wa-ta-ta-ta-ters
Wa-ta-ta-ta-ters
Drink it in
Make it flood
Get in these
Cool waters

Wa-ta-ta-ta-ters
Wa-ta-ta-ta-ters
Sink or swim
For my love
Get in these
Cool waters

Ooh
Sweat dripping
Bet your self-control is slipping, giving, Ooh
So stunning
And you can't stop coming over

Got that vibe
Temperature just right
And that's what you'll be getting tonight

Body like a goddess
You can't stay away
You don't need a star to wish upon
When you can wish on me

Power like a prophet
Paint me like Monet
Baby, we both know you'll cave

One kiss
Bet you're feeling the heat
Begging for a sip of these
Cool waters
Cool

You wish
You could dive in it deep
Begging for a dip in these
Cool waters
Cool

Wa-ta-ta-ta-ters
Wa-ta-ta-ta-ters
Drink it in
Make it flood
Get in these
Cool waters

Wa-ta-ta-ta-ters
Wa-ta-ta-ta-ters
Sink or swim
For my love
Get in these
Cool waters

Body like a goddess
Power like a prophet
