

As The Sun Sets

Sorry

It's a summer's day
But the heat's too overwhelming
And I walk and pace
But don't gain much more of an understanding
Then I bump into you
And my cheeks get all rouged
And I struggle to move
You know I'm struggling too
And I feel like a fool
When I see him next to you

As I stumble on past
I see us all In the glass
And I guess that I'm glad
That you're both in my past
But that thought doesn't last
And I cry crystallised tears
And I wanna be blind
So I stare up to the sky
And flood myself in the light
I flood myself in the light, I
I flood myself in the light
I flood myself in the light

As the sun sets
I really wanna run into it
As the sun sets
I really wanna run into it
As the sun sets
I really wanna run into it
As the sun sets
I really wanna run

Then I think to myself
What a wonderful world
What a hell of a day
What a beautiful girl
Then I think to myself
What a wonderful world
What a hell of a day
What a beautiful girl
Then I think to myself
What a wonderful world
What a hell of a day
What a beautiful girl
Then I think to myself
What a wonderful world
What a hell of a day
What a beautiful girl
