Cigarette Packet

Sorry

Oh dear, oh dear, oh dear, oh dear
What's gone and been and happened here?
Oh dear, oh dear, oh dear, oh dear
What's gone and been and happened here?

Started with a bang, ended with a kiss
The middle's all a muddle got lost in the abyss
Started with a bang, bang, ended with a kiss
The middle's all a muddle got lost in the abyss

I know, you know, we know, what's gonna happen
Straight through the night, back on the wagon
Fires in your eyes, but it's not gonna happen
I could feel it all end by the end of the cigarette packet
I could feel it all end by the end of the cigarette
Feel it all end by the end of the cigarette packet
I could feel it all end by the end of the

I know, you know, we know, what's gonna happen
Straight through the night, back on the wagon
Fires in your eyes, but it's never gonna happen
I could feel it all end by the end of the cigarette packet
(Feel it all end by the end of) ci-ci-ci-cigarette packet
(Feel it all end by the end of) cigarette packet
Ci-cigarette packet

Oh dear, oh dear, oh dear, oh dear
Oh dear, oh dear
Oh dear, oh dear, oh dear, oh dear
Oh dear, oh dear

Started with a bang, bang, backing off a whole lot
Coming off too strong, coming too close
Gotta get my head back home
Gotta get my head back home
Before

I know, you know, we know, what's gonna happen (I know you know we know)
Straight through the night, back on the wagon
Fires in your eyes, but it's never gonna happen
I could feel the world end with the-
With the cigarette packet
I could feel the world end with the end with the cigarette packet
I could feel it all end with the end with a cigarette packet, cigarette pack
et

I know, you know, we know, what's gonna happen
Straight through the night, back on the wagon
Fires in your eyes, but it's never gonna happen
I could feel it all end by the end of the-
I know, you know, we know, what's gonna happen
Straight through the night, back on the wagon
Fires in your eyes, but it's never gonna happen
I could feel it all end by the end of the cigarette packet
