

## Energy

Sorry

Tell me, you're my best friend  
For what it's worth, you're my curse  
You're my best friend  
For what it's worth, you're my curse  
Energy on you  
Or partyin', partyin', partyin'  
Turn my money on you  
Or partyin', partyin', partyin'

Tell me, I'm your best friend  
Rest assured, you're my cure  
Tell me, I'm your best friend  
Rest assured, you're my  
Cross the heart, I hope it's mine  
If it's not I'd hope to die  
You crossed a line, I hope it's mine  
If it's not I'd hope to die

You're my cure, you're my cure  
You're my cure, you're my cure  
Energy on you  
Or partyin', partyin', partyin'  
Turn my money on you  
Or partyin', partyin', partyin'
