

## Interlude (Cry For You)

Sorry

I cry for you  
Why don't you cry for me?  
You sell your tears  
All mine are free

You tell your friends  
But they don't know  
They fit right in  
To your show  
You take your bow  
You take your bow  
You kill yourself  
But only in the shower  
So you don't make a mess  
In the shower  
Is where you confess  
That things are wrong  
Things are gone

I'd die for you  
Would you die for me?  
You sell your bones  
Well, mine are free
