

Jealous Guy

Sorry

I don't wanna share your pretty heart with anybody else
I'm a selfish guy, it's only you, me and myself
I'm a jealous guy, don't want to see your pretty eyes
With anybody else
With anybody else

I want to be the one to serve you
I have to be the one who serves you

I'm a sad affair
Don't wanna see your brunette hair fall on anybody
I'm a gentleman but don't wanna see your gentle hands
With anybody
Not anybody
I'm a jealous guy, don't want to see your pretty eyes
With anybody else
But there it goes spinning out of control again
There it goes spinning out of control
But there it goes spinning out of control again
There it goes spinning out of control

Every bit of you's a piece to me
That I hold dear, I feel so deep
Every bit of you's a piece to me
That I hold dear

I have to be the one to
Every bit of you's a piece to me
I have to be the one who
Every bit of you's a piece to me

I'm a jealous guy, don't wanna see your pretty eyes
With anybody
You, myself and I
Not anybody else
