

## Tears

Sorry

Why does it always end in tears?  
Why does it always end so blue?  
I never know what comes next with you  
And is there anything I could do  
To get through you?

I'm damned if I don't  
I'm damned if I do (Goddamn, I'm damned for you)  
I'm damned if I don't  
I'm damned if I do (Goddamn, I'm damned for you)  
Tears, tears, tears, tears  
Goddamn, goddamn  
Tears

Why do you always play that tone? (What tone?)  
Tell me you'd rather be alone (I don't)  
I could take that blow  
I could take that blow

Because it always ends in tears  
Why does it always end like this? (Close, close, close, close,  
close, close)

I'm damned if I don't  
I'm damned if I do (Goddamn, I'm damned for you)  
I'm damned if I don't  
I'm damned if I do (Goddamn, I'm damned for you)  
I'm damned if I don't  
I'm damned if I do (Goddamn, I'm damned for you)  
I'm damned if I don't  
I'm damned if I do (Goddamn, I'm damned for you)

Tears, tears, tears, tears  
Goddamn, goddamn  
Tears  
Tears, tears, tears, tears  
Goddamn, goddamn  
Tears
