

## Wished

Sorry

I'm all in, I'm all out  
I'm all thin, I'm all fat  
I'm all over

I'm all in, I'm all out  
I'm all thin, I'm all fat  
I'm all over

The place, the place that I'm all  
I'll wish that I'll, I'll wish that I'll  
Spread out  
I'll wish that I'll, I'll wish that I'll  
Had sped up

It's like what you paid for a good time  
That's what you pay for a good time

Take me home  
Wash me up  
Leave me alone  
In the company of

And I'll wish that I'll, I'll wish that I'll  
I'll wish that I'll, I'll wish that I'll

It's like what you paid for a good time  
That's what you pay for a good time
