

# All Alright

SosMula

Yeah!

Break my neck for respect  
Lay to rest, burn to revel in the flesh (Okay)  
Am I dead? No, not yet  
Wipe the walls with your pain (Okay)  
Like it's all alright  
Like it's all alright  
Like it's all alright  
Like it's all alright

Fee Fi Fo Fum  
Play with souls so violent  
One two three jump  
Empty out the air from lungs

Fee Fi Fo Fum  
Play with souls so violent  
One two three jump  
Empty out the air from lungs

Pull up on a red light, uh, kickback, uh  
Watchin' your face go numb  
Pull up and he save you don't, need no cape  
You'll remember the name  
They see me, they freeze up  
They see me, they tense up  
They see me, they freeze up  
They see me, they tense up

Yeah!

Break my neck for respect  
Lay to rest, burn to revel in the flesh (Okay)  
Am I dead? No, not yet  
Wipe the walls with your pain (Okay)  
Like it's all alright  
Like it's all alright  
Like it's all alright  
Like it's all alright

On sight, We gon fight  
Swear to god Cuz he an opp  
Test me? I might catch a crime  
Tonight, I might catch a charge  
I don't cry, I don't smile, too numb to feel shit I'm too high  
They worried too much cuz I'm too dark  
But it's alright!  
All Alright, will be Aight  
All Alright, so let's get Light  
I got narc's and weapons are, on my lap  
Mixin syrups in the different sodas like we in the lab  
Bitch, I know who I am, I got crimes in my veins  
I got ninjas for the stab,  
The stab right through your face  
They don't wait, they gonna ape  
All that flexing gonna make me raise hell  
And I hope you stay in the safe  
Different substances and I go to hell

How could I be scared? Cuz, I'm already Dead!

Yeah!

Break my neck for respect

Lay to rest, burn to revel in the flesh (Okay)

Am I dead? No, not yet

Wipe the walls with your pain (Okay)

Like it's all alright

Like it's all alright

Like it's all alright

Like it's all alright

Mula!

Came with the pump

Body came in the trunk

How you gang you a chump

Shoot ya brains on ya dunks

Break ya bones till they motherfucking poking out ya skin

Let the bullet holes heel then we open them again

I'm a spin ya block then I'm rolling up again

Empty out the cartridge then I'm loading up again

Don't let them live nah they did fuck it I'm a change my mind

Shooting up the crib hit the kid prolly spray the moms

Rap ass cap ass I just kno he lying

Balling on these broke niggas like I'm Kobe Bryan

Got so many guns looking like a roll wit isis

Shot gun pellets spreading like corona virus

Yeah!

Break my neck for respect

Lay to rest, burn to revel in the flesh (Okay)

Am I dead? No, not yet

Wipe the walls with your pain (Okay)

Like it's all alright

Like it's all alright

Like it's all alright

Like it's all alright
