

MERCEDEZ BRAZY

SosMula

Yo, so we gon' stack it, right Jay-P?
Uh, splash
Uh, uh, uh
Uh, uh, uh
Uh, uh, uh
Uh, uh, uh

Do me a favor, don't do me no favors
Do me a favor, don't do me no favors
Do me a favor, don't do me no favors
Do me a favor, don't do me no favors
Do me a favor, don't do me no favors (Nah-nah, nah-nah)

Yeah, my baby, yeah she classy
She a freak, yeah
Nasty in the sheets
Wanna stab me in my sleep
I can't lie, girl, I miss you
Why you cryin'? Here's a tissue
One last time, let me kiss you
If you die, I'm dyin' with you
Girl, don't put your hands on me
She's so angry, she can't change me (Fuck out of here)
Hate you and you hate me
I hate you and you hate me
So shady, you crazy
I'm goin' Mercedes brazy (Vyoom, vyoom, vyoom)
I'm goin' Mercedes brazy (Vyoom, vyoom, vyoom)
I'm goin' Mercedes brazy (Vyoom, vyoom, vyoom)

Do me a favor, don't do me no favors
Do me a favor, don't do me no favors
Do me a favor, don't do me no favors
Do me a favor, don't do me no favors (Fire, fire)

Tell the truth, you nothin' special (Nah)
I wish I never met you
Just another ex to me
I can't wait to forget you
Drinkin' beer, so chaotic
Anywhere, we so toxic
I don't care, this is nonsense
Why you tearin' down your nostrils?
And her body Fibonacci
Riding shawty Kawasaki
Poppin' molly out my Audi
Ice is rocky, playing hockey
Lady, have my baby (Nah-nah, nah-nah, nah-nah)
I'm goin' baby three-eighty (Doo-doo-doo-doo-doo-doo-doo)
I'm goin' Mercedes brazy (Vyoom, vyoom, vyoom)
I'm goin' baby three-eighty (Bah, bah, bah, bah)
So shady, you crazy (Fuck outta here)
I'm goin' Mercedes brazy (Vyoom, vyoom, vyoom)
I'm goin' Mercedes brazy (Vyoom, vyoom, vyoom)
I'm goin' Mercedes brazy (Vyoom, vyoom, vyoom)

Do me a favor, don't do me no favors

Do me a favor, don't do me no favors
Do me a favor, don't do me no favors
Do me a favor, don't do me no favors
Do me a favor, don't do me no favors
Do me a favor, don't do me no favors
Do me a favor, don't do me no favors
Do me a favor, don't do me no favors

This song, yeah
Fire, that's fire bro
