What's, what's wrong with this?
What's wrong with this?
What's wrong with this?
What's wrong with this?

Please go easy on me
The ocean tracks a river
Deliver me
To a place where I belong

You know that you want to, want to, want to, want to, want to
You know that I want to, want to, want to, want to, want to
You know that you-
