The Goat chewed up, Once a tin can. The Goat shat out, was a Ford Sedan.

Like an eyeball.
Like a square cut.
Like a funny car.
Like a monster truck.

Call up bop and I'm bunting stomach, Koko mop I chop chunking plummet, Thud on top, I ate the chocodile.

And ever since then, I got disseminated, The Jupiter Moon, I got disseminated, The Average Man, I got disseminated, It's a self-fulfilling prophecy.

Toots Hibbert,
At the wrong prom.
Serves a beat down,
On a tom tom.

Like Genius. Like Dervin. Like Joseph.
