

## Screams Unseen

## Soul Embraced

The heavens at war  
Screams unseen  
Angelic cries  
Heard only in spirit

Bloodless massage  
A third refused the ghost  
Betrayed the Lamb  
To worship the goat

Savage weaponry  
Brutality and blasphemy  
Sentenced now to inhabit the abyss

Blackest night  
Darkest heart  
Tortured and torn apart  
For thou shall  
Die forever  
Consumed with the deceiver
