

Trigger Warning

Soul Glo

Shook ass coward gangbang nigga still believes in the amerikkka n dream, the fucking wretch. Idiot mongrel spends all night grindin, grindin, grindin, living crying dreams of the United States drinking his cum. Money makes him as much as he makes it and he'll smoke out anybody and their motherfucking auntie to show that he's not telling off shit. Fucking crooks crossing out and cutting down each other, see "Bitchez ain't shit" in another man's mother. Fucking crook grew from a murdered childhood and is languid in his mourning. What's a body to his gun? His life never got a warning
