

## Favela / Dystopia

Soulfly

Die  
Gun down right on the streets  
Rise  
Against corrupt Police

Favela, dystopia

Run  
Urban blocks concrete  
Slum  
The remnants of deceit

Favela, dystopia

Neglected, addicted  
A life of hard times  
The living, the dying  
No different than I

Our lives don't mean shit  
To those telling lies  
Our fight, motherfucker  
I'm ready to die  
Yeah

Our lives don't mean shit  
To those telling lies  
Our fight, motherfucker  
I'm ready to die  
Die

Our lives don't mean shit  
To those telling lies  
Our fight, motherfucker  
I'm ready to die

Die
