Fuel this hate  
And you'll never be the same again  
Now I'm feeling again and again  
Fuel this hate  
And you're living on the edge again  
Just like we felt back then  
Fuel this hate  
And you'll never be the same again  
When you just don't give a damn  
Fuel this hate  
And you're living on the edge again  
I don't give a damn...

Thrashing  
Raging  
Fighting  
Screamin  
Thrashing  
Raging  
Fighting  
Fuel the hate

Fuel this hate  
And you'll never be the same again  
Now I'm feeling again and again and again  
Fuel this hate  
And you're living on the edge again  
Just like we felt back then  
Fuel this hate  
And you'll never be the same again  
When you just don't give a damn  
Fuel this hate  
And I'm living on the edge again  
I don't give a damn

Thrashing  
Raging  
Fighting  
Screamin  
Thrashing  
Raging  
Fighting  
Fuel the hate

Sometimes - suicide - genocide - suicide  
I don't give a fuck if I live or die  
Sometimes - suicide - genocide - suicide  
I don't give a fuck if you live or die  
Sometimes - crucified - terrorize - crucified  
I don't care about this fucked up life  
Sometimes - crucified - terrorize - crucified  
I don't care about your fucked up life  
Sometimes - suicide - genocide - suicide  
I don't give a fuck if I live or die  
Sometimes - suicide - genocide - suicide

I don't give a fuck if you live or die  
Sometimes - agonize - open arms - agonize  
Let the world burn tonight  
Sometimes - agonize - sacrifice - agonize  
If it's up to me - sacrifice

Fuel this hate  
And you'll never be the same again  
Just like we felt back then  
Fuel this hate  
And you're living on the edge again  
Happiness, I don't understand  
Fuel this hate  
And you'll never be the same again  
There is no other way  
Fuel this hate  
And I'm living on the edge again  
Let them feel the pain

Um, Dois, Tres, Quatro...  
Past the point of no return..  
Past the point of no return...

"Voce mata porque ja nasceu morto  
Sangue morto, amaldiscado  
Voce mata porque ja nasceu morto  
Sangue morto, amaldiscado..."
