

Ghenna

Soulfly

The circle of death
It comes in waves
It comes in waves
Exterminate

The circle of hate
It comes in waves
It comes in waves
Exterminate

The circle of hate
Discriminates
Innocents slaughtered
Saw far too few days

False acts of God
Delusions of hate
Aeons of torture
I wish on you

False acts of God
False acts of God

The circle of death
It comes in waves
It comes in waves
Exterminate
