

## Ishtar Rising

Soulfly

By ancient decree  
I call upon thee  
From the heavens  
Asu - Shunamir  
Ereshkigal, Queen of Hell  
The seven gates of Namtar fell

Ishtar rising, Adonai... Ishtar  
Ishtar rising, Adonai...

I the Equinox  
The ancient law  
The dead will rise up  
The dead will come  
Inhaling the incense of deity  
Woe to Babylon  
Woe to thee...

Ishtar  
Ishtar rising  
Ishtar  
Ishtar rising, Adonai...
