

Nihilist

Soulfly

Lose yourself, your worthless life
Finding truth in deceit
Paranoia, the brute destroyer
Try and try to manipulate me

I don't believe in anything

Nihilist
Will to force
Nihilist
Ooh

Pray your lies
Your God is dead to me
Hide behind the gun
My weapon, disbelief

Nihilist

Broken by the winds of reality
Coward

I don't believe in anything
Your God is dead to me

Nihilist
Will to force
Nihilist
Ooh

Pray your lies
Your God is dead to me
Hide behind the gun
My weapon, disbelief

Pray your lies
Your God is dead to me
Hide behind the gun
My weapon, disbelief

I don't believe in anything
