Pull up in the yellow Mercedes like Bart Simpson
Pressin' on button, the top of the roof missin'
Yellow diamond Cartier, watch the watch glisten
Balenciaga on, wearin' my shorts
Ridin' in the 'rari, ridin' in the Porsche
Feelin' like Bart Simpson rippin' out the 4
Got a lot of diamonds on me, came of a cork
Got a lot of money on me, buyin' is a sport
And I'm on 5 at the plane with the toys
