Soulja Boy

I like it when we on the beach  
Let's go to the beach  
To the beach yea  
Baby let's go into the beach yea  
Hey

She likes the way I'm cruising through the streets yea  
I told her baby let's go to the beach yea  
I like it when we go to the beach  
Beach [x10]  
She like the way I cruise the streets ye  
I said baby let's go to the beach yea  
Beach [x10]  
Going through the streets  
Told her baby let's get going to the beach  
Let's hit the beach  
Let's go to the beach  
Let's hit the beach  
Let's go to the beach

Unless we free  
She finds DD on the beach  
I pull off all these jeans  
Rich game I see  
I cannot leave  
I cannot dream  
Hit her from the back  
Ain't no she scream  
And I'm in between  
Killin her  
Killin her  
Killin her  
Killin her  
Killing her eating her with cream  
Whipping it  
Whipping it  
Whipping it  
I whip like whip cream  
My diamonds are shining they look like ice cream  
When it all on me  
I fuck her and she gonna scream  
I'm all in her dream  
I get in between  
I got her sniff the weed

She likes the way I'm cruising through the streets yea  
I told her baby let's go to the beach yea  
I like it when we go to the beach  
Beach [x10]

Beach [x10]  
Going through the streets
