

Drip Check

Soulja Boy

Ay, Soulja, can we see your fit?
Can you tell us what you're wearin' today?

Drip check, drip check, drip check, drip check
Drip check, drip check, drip check, drip check
Drip check, walk in this bitch and I'm breakin' they neck
They pull out they cameras, they want a drip check
I'm rockin' Rick, uh, look at my fit
Watch cost a brick, hop out a whip

Dior, money pour, jump on a jet to New York
Uh, jump out the whip and I'm pourin' a four
I got that [?]
Diamond teeth, Van Cleef
South beach, Fendi
LV, GG
CC, Versace
I'm a goat so I go hard
Hundred thousand dollars in a Goyard
Press a button and it push start
This year, I'm rockin' nothin' but Chrome Hearts

Drip check, drip check, drip check, drip check
Drip check, drip check, drip check, drip check
Drip check, walk in this bitch and I'm breakin' they neck
They pull out they cameras, they want a drip check
I'm rockin' Rick, uh, look at my fit
Watch cost a brick, hop out a whip
