Diamonds bussin' on the runway
Diamonds closed like the inside of an igloo
I flew the jet out Sunday in that Leo Monday
I rocked a brand new Miri with a new Givenchy
I'm hoppin' out all black, I'm makin' em fall back
I'm playin' with Tom Stacks, yeah
You know about all that
So I carry, got plenty
I shoot with the CME
Been playin' with Spenny
I'm rockin' new Fendi

Young nigga made on one day
Run that cash so fast
I felt like I ain't gon' be gunplayin'
I gotta play it smart
Catch nigga in the street wipin' nose
Yeah, I really came from nothin', yeah
Pull up and I get the bus in, yeah
All my diamonds cold, yeah
All of my diamonds, they froze, yeah
Hoppin' out the Lambo
Blowin' on Zaza
I'm smokin' the Zaza
I'm havin' diamonds and I'm havin' gold
Pullin' up in double R
Young nigga, how about the gold?
All of my diamonds, they froze
Kinda put him on the road
