Soulja Boy

Toju On The Beat
Hey Smoke Fusion you did it again

Front back, drop, spin
I gotta unload my Glock
Damn, now we sitting at the top yuh
Double cup sipping on Wock'
Play with Draco and get popped
Pressing one button, I'm dropping my top
Damn, choppa knock 'em out his socks
Damn, I'm somewhere on a yacht

Shoot with that Uzi just like Call of Duty damn
I got more clips than a movie
Damn spin on your block like a Rubix
Tats on my face like I'm Tunechi
Bad bitch, thick booty
I go Balenciaga with the Gucci
Bad bitch giving me coochie
All of my drip is exclusive

Front back, drop, spin
I gotta unload my Glock
Damn, now we sitting at the top yuh
Double cup sipping on Wock'
Play with Draco and get popped
Pressing one button, I'm dropping my top
Damn, choppa knock 'em out his socks
Damn, I'm somewhere on a yacht
Front back, drop, spin
I gotta unload my Glock
Damn, now we sitting at the top yuh
Double cup sipping on Wock'
Play with Draco and get popped
Pressing one button, I'm dropping my top
