Lambo push to start, look like Robocop
Flashlights when I'm pullin' out
All you see is diamonds shinin' in the dark

See these headlights when I'm backin' out
All you see is diamonds shinin' in the dark

I press one button, touch one like Robocop
Push to start, goin' hard
Headlights when I be pullin' off
Press one button and watch it pull apart

Push to start, can't hold me down
Hold me down, that's my lonely
Ridin' through Zone 1 in my lonely
Ridin' Zone 1
