

iDance

Soulja Boy

Ayyy (3x)
Soulja Boy tell em'
i dance
i rock
i dance
i rock

i lean, i rock, i jig, i ule! i snap, i pop, and then i youtube!
i dance... ule!
i dance... ule!
i dance... ule!
i dance... ule!
i lean, i rock, i jig, i ule! i snap, i pop, and then i youtube!
i dance...i dance
i dance...i dance
i dance...i dance
i dance...i dance

Soulja Boy back in this h*e
Watch me lean and watch me rock
I dance hey! hey! hey! oh na na
Dance rock jig crank back to the left
Soulja Boy tell em' rubber bands on my neck
Watch me jig this here
Watch me walk it out
Do my dance in the club and we jockin out
I dance stomp loud like thunder
But guess who's not a one hit wonder

i lean, i rock, i jig, i ule! i snap, i pop, and then i youtube!
i dance... ule!
i dance... ule!
i dance... ule!
i dance... ule!
i lean, i rock, i jig, i ule! i snap, i pop, and then i youtube!
i dance...i dance
i dance...i dance
i dance...i dance
i dance...i dance

Lean left, rock right, do your dance on the floor
We don't superman no more
Man that crank that got old
(hey) now watch me jig this here
(hey) watch me rock this h*e
(hey) my dance so fresh when everybody hit the dance floor
My dougie i'm fresh roll jig
iPod in my hand while i iDance this sh*t
iphone in my hand while i call up my partner this song so sick man somebody
call a doctor

i lean, i rock, i jig, i ule! i snap, i pop, and then i youtube!
i dance... ule!
i dance... ule!
i dance... ule!
i dance... ule!
i lean, i rock, i jig, i ule! i snap, i pop, and then i youtube!

i dance...i dance
i dance...i dance
i dance...i dance
i dance...i dance

[Soulja Boy] now watch me snap hard, ule! (4x)
[Girl] now watch me snap hard,hey (4x)
[Soulja Boy] now watch me do this sh*t, do it! (4x)
[Girl] now watch me do this sh*t, hey (4x)

i lean, i rock, i jig, i ule! i snap, i pop, and then i youtube!
i dance... ule!
i dance... ule!
i dance... ule!
i dance... ule!
i lean, i rock, i jig, i ule! i snap, i pop, and then i youtube!
i dance...i dance
i dance...i dance
i dance...i dance
i dance...i dance
