Soulja Boy

Get into them benz get into them cars  
When I'm up with that Soulja boy I keep that money  
Catch me in that Mercedes counting bars  
And you know these shit will never stop  
It will never stop

I don't want to talk I just put that up on my car  
This will never ever stop  
She keep blowing up my phone she won't leave me alone  
Now I'm riding around in a single cone  
I'm talking cash on my money phone  
The money gone

If you in the shop boy you know what you gotta do  
Put her to the club and spend a twenty too

She got on a tattoo she put on my shoe
