

Mad

Soulja Boy

Yeah

I like to, I like to, I like to
I like to, uh

I like to cash out
Gon' grab on that beeper, but don't wanna back out
In the trap [?] I'm blowin' on ZaZa
Big Draco, nigga, came straight out the jungle
Pinky ring [?] car, Tesla
Even my pinky ring busssdown [?]
I feel like Roddy Ricch, got racks in the middle
Ridin' 'round town and I'm beatin' the pack
ZaZa, tropical, I got exotic pack
Torpedo be eatin', gon' blow through yo' back
[?] I ran up the racks
Transform [?], transform like Goku
My diamonds, they 3D, my diamonds, they Roku
I'm slidin', I'm ridin', I'm poppin' outside with' my choppa
We just like a coyote, get this shit poppin'
I come like the army, you know that I'm poppin'
I ain't what I ain't, I am what I am
I'm uppin' my choppa, I'm gon' shoot at them
I'm ballin' on niggas, I'm breakin' the rim
I'ma take a Bathing Ape and bulletproof vest
If he sticks up for me, I'ma cut off his hand
I'ma slide in on the block with' them choppas and blam
It's a big body Urus or brand new Lamb'
I ran up the M's and they say how I got it
On the way to the moon, I took off like a rocket
Ooh, ridin' around with' them racks in my pocket
I take that pack, then I get out
Headed to a bag right now
It's up, then it's stuck right now
Beat the block down, pop out with' that fire

I know that they mad, yeah, they mad, and right now
I know that they mad, yeah, they mad, yeah, right now
I know that they mad, yeah, they mad, yeah, right now
I know that they mad, yeah, they mad, yeah
I know that they mad, yeah, they mad, yeah, they mad
I know that they mad, yeah, they mad, yeah, they mad
I know that they mad, yeah, they mad, yeah, they mad
Know that they mad, yeah, they mad, they mad right now
