

Woo

Soulja Boy

When I hit the block, I just sell that dope
When I hit the trap, I just smoke the dope
'Lot of packs came in, already gone
Riding in that Rari, skrrrt I'm gone
Woo, woo, woo, woo, woo, woo
Woo, woo, woo, woo, woo, woo
Woo, woo, woo, woo, woo, woo
Woo, woo, woo
Yeah, yeah, yeah

Pull up in a Maserati (yeah)
All these girls on my body
Picture flash, paparazzi (yeah)
Social media, I'm the trending topic
Five thousand on some [?]
Riding through the city and you know we fly
'Lot of bands on me, you know how I rock
Bands out the door, bands out the door

When I hit the block, I just sell that dope
When I hit the trap, I just smoke the dope
'Lot of packs came in, already gone
Riding in that Rari, skrrrt I'm gone
Woo, woo, woo, woo, woo, woo
Woo, woo, woo, woo, woo, woo
Woo, woo, woo, woo, woo, woo
Woo, woo, woo
Yeah, yeah, yeah
When I hit the block, I just sell that dope
When I hit the trap, I just smoke the dope
'Lot of packs came in, already gone
Riding in that Rari, skrrrt I'm gone

Told her [?] bitch, I'll book her flight

Two rings on, man that's somethin' slight
