

K-NOW Interlude #1

Souls of Mischief

This is 90.7 K-NOW

And you may be asking yourself how do we know there's only a now?

Because we know that you know to stick with us to hear to know,
the now and the how

Speaking of which, a group of four MC's have been bugging out on
a scenario that's left one member missing in action

Three members contemplate reaction

But remember this, there's only now and there's only you

It's '94 and you must remember to explore your many options

Therefor, stay tuned with us and we'll be right back with more
