

To Crawl Or To Fly

SoulsPELL

JUDITH • MUNHOZ

Our ideals aren't the same
After a while
I don't even know my name
I'm not free to go
Neither free to stay
I'm not welcome here
And I'm running late

Livy - smith

All you've got is taking you there
Where they want
But they really don't care
Maybe emptiness is not fear
It might well be
A weapon over here

WAYNA • SOMERVILLE

What is the right way to go?
Oh god, I must try
Decisions I've taken before
But time showed me
I wasn't right
To crawl or to fly

THE TALKING DIARY • SAGGIORO

Are the falcon's kind words
More deadly
Than the serpent's sincere bite?
Is the beauty of gold
Enough to make us all go blind?

SOLO • MAGIONI, FELDMAN

WAYNA • SOMERVILLE

What is the right way to go?
Oh god, I must try
Derisions I've taken before
But time showed me
I wasn't right
