

# Troy

Soulspell

(Tobit)

Listen to me sons of Troy  
It's time to be great  
To make our names remain

Empires are forged by war  
By the Honor of gods  
By an army of one million men

(Achilles)

A thousand ships of war  
Sailing away leave behind  
His wives, his pride

(Hermes)

Here there's no young man dying  
The war is not behind  
The Unbreakable walls of Troy

(Samael)

Pride, just fight your own hopeless pride  
Drowned in your own sea of wine

(Achilles)

I will not kill you  
Far from the eyes of the crowd  
You'll roam without your eyes forever

(Hermes)

Here there's no young man dying  
The war is not behind  
The Unbreakable walls of Troy

(Judith)

Threatened by my land  
I want to leave with you  
Let's drink to peace while we can  
'Cause this blessed morning will curse us  
We were not fair

(Samael)

Pride, just fight your own hopeless pride  
Drowned in your own sea of wine

(Judith)

A gift without a name to know  
An Arrow destroying a god, a legend  
There's no victory in a battle  
Where a Hero closes his eyes  
So as you and me

(Samael), (Achilles)

Pride, just fight your own hopeless pride  
Drowned in your own sea of wine

(Achilles)
