## Soulwax

Feels like nothin' is real when all you can hear is sorry again please don't take my fraud as I finish my thoughts for you it's my new favourite word it's a three letter hurt from inside As I try to forget it's as far as I'll get to hatin' you

Complicated - cannot find the words
Let your mind fall down
Sophisticated - love the way, it hurts
Let your mind fall down!
It's a long distance zoom

As I try to forget
It's as far as I'll get to hatin' you
Tell me - write it down - long distance zoom!

Complicated - cannot find the words Let your mind fall down Sophisticated - love the way it hurts let your mind fall down
