

## Once Again

South Border

You've always been there for me  
And I never cared enough  
You've always loved me perfectly  
And I never shared some  
And you never said a thing  
You gave it all just for me

I treated you so selfishly  
And you were still by my side  
Instead you gave so selflessly  
And I didn't dare to try  
To show you unconditional love  
How can I be so insensitive

[Chorus:]

(I'm coming to you)  
Once again I come to you  
This time I'll never make it slip away  
(I'll never slip away)  
Hold my hand and together we  
Will wait for the day  
When we will be as one

You know I played a thousand times  
And you never did the same  
You made me see when I was blind  
You wiped those tears away  
You showed me your true love  
And now I'm thinking how can I repay

I know that there were times  
When you almost gave up  
And I couldn't blame you  
If you did just that  
But still you chose to stay  
And suffer all the pain  
You held on, gave me hope  
Believed that I could change

[Chorus:]
