South Park Mexican

Boy, look me in the eyes

I gave you way too many chances
You told too many lies
Don't say you don't deserve this
Boy, look me in the eyes
You way too many chances
You told too many lies
Don't say you don't deserve this
Boy, look me in the eyes

Boy, look me in the eyes
Boy, look me in the eyes
Boy, look me in the eyes

I gave you way too many chances
You told too many lies
Don't say you don't deserve this
Boy, look me in the eyes
You way too many chances
You told too many lies
Don't say you don't deserve this
Boy, look me in the eyes

Boy, look me in the eyes
Boy, look me in the eyes
Boy, look me in the eyes
Boy, look me in the eyes
