

Dirty Rock

Southpaw

I'm gonna use force
I'm gonna use force
'Cause last time
When I tried
To use my mind
I ended up on the floor
I'm gonna use my hand
I'm gonna use my hand
But I swear i'd never touch
Any of my friend's girlfriend

My heart is a wreck

I'm gonna use hate
I'm gonna use hate
My favourite american movie
Is called Blade
I want to feel pain
I want to feel pain
Before I get so fucked up
And all this shit
Starts again

My heart is a wreck
