Under the umbrella as it rained
At the tip of your wet shoulders
I could feel the slightest tremble
That's how close we were

At the bus stop as it rained
Your eyes that looked at me
Do you remember?
The stories we shared all night

Rain is falling, again today
A painful rain
Like the day I let you go

Rain is falling, yet again
Preventing me from sleeping
I think I still
I'm still waiting for you

On that rainy night
We were in love
Even until the end
You worried about me
You held me

Rain is falling, again today
A painful rain
Like the day I let you go

Rain is falling, yet again
Preventing me from sleeping
I think I still
I'm still waiting for you

Nothing lasts forever
Is that why we went wrong?

Nothing lasts forever
Is that why we were so happy?

Rain is falling, again today
A painful rain
Like the day I let you go

Rain is falling, yet again
Preventing me from sleeping
I think I still
I'm still waiting for you
