

## Operaphobia

Space Eater

When I was a kid I heard strange noises  
Some weird music coming from TV  
What a horrific site it was  
A fat lady was screaming at me

Don't scream at me  
I hate opera!

What a hysteric reaction I had  
Crying like rain that whole afternoon  
It left lasting trauma in my little mind  
Fearing fat lady would come for me soon

Don't scream at me  
Operaphobia!
