

Falling in Love

Space

Falling in love all over again
(Falling in love) All over again
(Falling in love) All over again
Faliing in love
It ain't a load of crap
It's very nice, in fact
Like Ch-Ch-Chinese food
Or being in the nude
Or finding a Picasso in the attic or the shed
Or waking from a nightmare realising you ain't dead
Falling in love all over again
(Falling in love) All over again
(Falling in love) All over again
Faliing in love
It's never blunt or bland
It's Edward Scissorhands
It's naughty and sublime
Like the Bride of Frankenstein
Once there was a time when we wouldn't even laugh
Now we're being rude together in the bubble bath
Falling in love all over again
Falling in love all over again
(Falling in love) All over again
(Falling in love) All over again
Falling in love all over again
(Falling in love) All over again
(Falling in love) All over again
(Falling in love) All over again
(Falling in love) All over again...
Let's hope we never fall out again
