

## Guest List to Hell

Space

I'm a d-d-d-d-d-desert fish  
And I'm a seven headed hydra  
I'm a seven headed hydra  
I'm a B-B-B-B-Beelzebub  
I'm in the devil's fire  
I'm in the devil's fire  
After all these bad things I have done  
And with all these bad things I have done  
With all these bad things I have  
Girl, I need you to still think that I will get to  
Heaven!  
With you, I'm walking into heaven  
Heaven!  
By myself, I'm on the guest list to hell  
Heaven, woah-oh!  
With you, I'm walking into heaven  
Heaven!  
By myself, I'm on the guest list to hell  
I'm a g-g-g-g-g-g-germ  
Contaminatin' while you're waitin'  
Contaminatin' while you're waitin'  
I'm a w-w-w-w-w-w-were wolf  
And I'm headin' down to Satan  
Oh, I'm headin' down to Satan  
After all these bad things I have done  
And with all these bad things I have done  
With all these bad things I have  
Girl, I need you to still think that I will get to  
Heaven!  
With you, I'm walking into heaven  
Heaven!  
By myself, I'm on the guest list to hell  
Heaven, woah-oh!  
With you, I'm walking into heaven  
Heaven!  
By myself, I'm on the guest list to hell  
Heaven!  
With you, I'm walking into heaven  
Heaven!  
By myself, I'm on the guest list to hell  
Heaven, woah-oh!  
With you, I'm walking into heaven  
Heaven!  
By myself, I'm on the guest list to hell  
Heaven!  
With you, I'm walking into heaven  
Heaven!  
By myself, I'm on the guest list to hell  
Heaven, woah-oh!  
With you, I'm walking into heaven  
Heaven!  
By myself, I'm on the guest list to hell
