

Hell of a Girl

Space

This ain't no trick photography
Before your very eyes you see
I'm just a teenage Frankenstein

And you're a ship sinking
Car crashing
Ball breaking
Breath taking Hell of a Girl
Hell of a Girl
A Hell of a Girl
You're a Hell of a Girl

In a world of death I'd be the invisible man
And you could fly to love with Peter Pan
A man from Mars would take me for what I live on

And you're a love making
Earth quaking
Dead waking
Breath taking Hell of a Girl
Hell of a Girl
You're Hell of a Girl
You're a Hell of a Girl

This ain't no trick photography
Before your very eyes you see
I'm just a teenage Frankenstein

And you're a ship sinking
Car crashing
Ball breaking
Breath taking hell of a Girl
Hell of a Girl
Hell of a Girl
In a Hell of a world
You're a Hell of a Girl

A Hell of a Girl
You're a Hell of a Girl
In a Hell of a world
