

I Am The Insect

Space

Magnetism, she don't need it (oh, a no no no no)
Hypnotism, she don't need it (oh, a no no no no)
Please don't leave me in the dark
Please don't leave me in the dark

I am the insect attracted to your light
Cuz I am the insect attracted to your light

Mesmerism, she don't need it (oh, a no no no no)
Clippervino? she don't need it (oh, a no no no no)
Please don't leave me in your shadow
Please don't leave me in your shadow

I am the insect attracted to your light
Cuz I am the insect attracted to your light

Somebody warned me (don't go into the light)
Somebody told me (don't go into the light)
Somebody warned me (don't go into the light)
Somebody told me (don't go into the light)

I am the insect attracted to your light
Cuz I am the insect attracted to your light

I am the insect attracted to your light
Cuz I am the insect attracted to your light

I am the insect
I am the insect
