

Influenza

Space

You treat me like influenza
You think I'm an idiot cause I'm not in Mensa
You treat me like tonsilitis
I'm a pain in the neck and I'm not quite right but

I know and you know that
I know and you know that
I'm your bellyache yeah yeah yeah
I'm your bellyache yeah yeah yeah
I'm your bellyache yeah and there's no cure
Yeah yeah yeah yeah
Yeah yeah yeah yeah yeah yeah
Yeah yeah yeah yeah
Yeah yeah yeah yeah yeah yeah

Oh you avoid me like the german measles
You're telling all my friends I'm a bit of a weasel
You say I'm playing games like your varicose veins
And I'm pressing all the switches that will drive you insane but

I know and you know that
I know and you know that
I'm your bellyache yeah yeah yeah
I'm your bellyache yeah yeah yeah
I'm your bellyache yeah and there's no cure

Yeah yeah yeah yeah
Yeah yeah yeah yeah yeah yeah
Yeah yeah yeah yeah
Yeah yeah yeah yeah yeah yeah
