

Metropolis

Space

Love ain't blind
It's just you don't run my way
Love ain't kind
Ignores me day by day
Ignores me day by day

I got lost
Somewhere on the way to Metropolis
Metropolis
I got lost
Somewhere on the way
Somewhere on the way to Metropolis

Love is low
It's just it don't run with me
Sees no future
Gives me no prophecy
Gives me no prophecy

I got lost
Somewhere on the way to Metropolis
Metropolis
I got lost
Somewhere on the way
Somewhere on the way to Metropolis

Love ain't blind
It's just you don't run my way
Love ain't kind
Ignores me day by day
Ignores me day by day

I got lost
Somewhere on the way to Metropolis
Metropolis
I got lost
Somewhere on the way
Somewhere on the way to Metropolis
