

Sharks

Space

If the sea, if the sea was warm
Would sharks be more friendly?
If the sea, if the sea went cold
Would pirates need to steal your gold?

Panic takes over
Eyes are getting wider and wider and wider
Legs are like a jellyfish, oh no
I think I'm in Jaws with Roy, Roy Scheider

If the sea, if the sea was warm
Would sharks be more friendly?
If the sea, if the sea went cold
Would pirates need to steal your gold?
[x2]

Feel my body sinking
I can't touch the shore no more, no more
My head is like an octopus, oh no
I'm heading for the bottom of the ocean floor

If the sea, if the sea was warm
Would sharks be more friendly?
If the sea, if the sea went cold
Would pirates need to steal your gold?
[x2]

Fee fi fo fum, fee fi fo fum
Fee fi fo fum, fee fi fo fum
Fee fi fo fum, fee fi fo fum
Fee fi fo fum, fee fi fo fum

If the sea, if the sea was warm
Would sharks be more friendly?
If the sea, if the sea went cold
Would pirates need to steal your gold?
[x2]

Would pirates need to steal your gold? [x3]
