Bass

Oh the shit you talk is beautiful
Oh the shit you talk is beautiful
Oh the shit you talk is beautiful

Whenever you speak
I just feel like a freak
and I can't hear a word
and I know its absurd
but as long as you're talking
I feel like I'm walking with gods

[God is watching you]

Oh the shit you talk is beautiful
Oh the shit you talk is beautiful
Oh the shit you talk is beautiful

Your voice is my glue
Yeah, it's what gets me through
You talk politics
and I'd still get my kicks
As long as its you that I'm hearing
I'm walking with gods

[God is watching you]

Oh the shit you talk is beautiful
Oh the shit you talk is beautiful
Oh the shit you talk is beautiful

The words that you say
keep my demons at bay
Oh and when you confess
I know I'm in a mess

Now as long as you're talking
I feel like I'm walking with gods

[God is watching you]

Oh the shit you talk is beautiful
Oh the shit you talk is beautiful
Oh the shit you talk is beautiful

Beautiful
