

This Gorgeous Chaos

Space

Goddess, goddess
I do confess, I do confess
This emptiness, this emptiness
I cannot bless, I cannot bless

This gorgeous chaos, this passionate cry
This gorgeous chaos, this passionate cry [x2]

This dissonance, this dissonance
Is so intense, is so intense
It's primitive, it's primitive
To me again, to me again

This gorgeous chaos, this passionate cry
This gorgeous chaos, this passionate cry [x2]

This tenderness, this tenderness
You do possess, you do possess
Oh this gentleness, this gentleness
I cannot bless, I cannot bless

This gorgeous chaos, this passionate cry
This gorgeous chaos, this passionate cry [x2]
