

## Voices

Space

How can I be so whole only with the voices in my head  
I must be insane

All I wanna disguise is the fact that I'm alive  
Inside myself, i'm crying for help  
Can anybody hear me

Is it too late to let me know  
I'm a failure and if so  
Why do you keep telling me you're all I need?

So if you ask me once again I swear to God  
I'll kill you then I'll ask my questions when you're gone  
So everything I despise has taken over my life  
Inside of me is empty  
Can anybody see

Is it too late to let me know  
I'm a failure and if so  
Why do you keep telling me you're all I need?

So if you ask me once again I swear to God  
I'll kill you then I'll ask my questions when you're gone

So if you ask me once again I swear to God  
I'll kill you then I'll ask my questions when you're gone

So if you ask me once again I swear to God  
I'll kill you then I'll ask my questions when you're gone
