

Ship Wrecked

Spacehog

I wonder as I wandered
Do you wonder me?
I always sit, and think of you
And smile in memory

So if you raise a glass
To love you passed
Wont you raise a glass to me
Cause I'm lonely as a sailor
Ship wrecked on the sea

I always thought the captain's wife
She's the one for me
She may not be a painting
But she's the one for me

So if you raise a glass
To love you passed
Wont you raise a glass to me
Cause I'm lonely as a sailor
Ship wrecked on the sea

And as the stars fly by me
So the ocean binds me
And I'm as lonely as a sailor
Ship wrecked on the sea

So if you raise a glass
To love you passed
Wont you raise a glass to me
Cause I'm lonely as a sailor
Ship wrecked on the sea
