

BOUNTY

SpaceMan Zack

I been running round, getting bank roll with it
Want a check, get the peso hitting
I been wanna live a rockstar life
But I don't know
 Fucked up, don't chase when I sip it
Everybody only take what's given
Want it all, I'ma take what's mine
And let them know

Ferragamo on me and my new thing
Prolly on a island with a bottle of the d'usse
Hating on me 'cause I do things
I prolly fuck your shorty in the back of my Range
Hit that bitch and go
Want me for my check, buy her ass a flip phone
Blowing up my life, why you gotta do the most?
Shorty paranormal so you know I had to ghost, whoa

Stuck on this purple blow, checks for my neck
I cut you off 'cause you lost my respect
Hit for a week then I'm onto the next
Thanks to my ex, I'm good, though

Yeah, yeah, I'm good though
Get a check when I flex like I should though
Yeah, yeah, we goo though
Worry 'bout nothing but the places that we could go

I been running round, getting bank roll with it
Want a check, get the peso hitting
I been wanna live a rockstar life
But I don't know
 Fucked up, don't chase when I sip it
Everybody only take what's given
Want it all, I'ma take what's mine
And let them know
